Mr. Mark Langevin
President and Owner
Phoenix Communications Inc.
25 Bowditch Drive
Shrewsbury, MA 01545-1704

Dear Mr. Langevin,

Thank you for your generous \$15,000.00 gift to Joslin Diabetes Center received on November 21, 2017. Your contribution through the Phoenix Communications Golf Event will support the High Hopes Fund, which funds Joslin's mission to prevent, treat, and cure diabetes in order to achieve a world free of diabetes and its complications.

Your support comes at an important time. We stand at a pivotal crossroads in diabetes research and care. Right now, nearly 30 million Americans and 420 million people across the world have diabetes. Both type 1 and type 2 diabetes are on the rise, and it's estimated that by 2050 one in three American adults will have the disease.

Joslin's community of dedicated patients, families, caregivers, clinicians, researchers and supporters are committed to the fight against diabetes. Your gift allows us to provide exceptional care to all patients; continue to pioneer new, outcomes-focused programs for every stage and aspect of diabetes; and share our cutting-edge approaches widely so that every diabetic has the chance for a long, healthy life. It is a privilege to have you join us in this fight.

Thank you again for your support. If you have any questions about this gift or require further information, please contact Joslin's Office of Philanthropy at (617) 309-2412.

Sincerely,

John A. Perry
Chief Philanthropy Officer
