Dear Mark,

The Holiday Season is a special time of year and in that spirit, we are grateful for Phoenix Communications' Food and Fund Drive efforts, which brought in an amazing 178 pounds of donated food and financial gifts totaling \$75.

Your support celebrates the season of giving by providing good food to those less fortunate in Worcester County who cannot afford enough food to be well fed and healthy. For December and every month throughout the year, Worcester County Food Bank will distribute an average of 480,000 pounds of donated food to its network of 120 food pantries and community meal programs. This is enough food for approximately 93,000 meals a week. These meals are a source of comfort and hope that your support makes possible.

Help and hope in the form of food are precious gifts at any time of year for a parent trying to provide for their family or a senior citizen trying to meet their basic needs. Your goodwill puts food into the hands of our neighbors in need as well as smiles on their faces.

Best wishes for a joyous Holiday Season and the very best for the New Year!

Sincerely,
